

## *Welcome*

Renaissance Women's Group consists of 10 experienced Ob/Gyn physicians. Our physicians are specialists in routine and high-risk obstetric care and gynecologic services.

Dr. Byron Darby provides state of the art prenatal diagnosis and ultrasound, including CVS, Amniocentesis and counseling in genetics. Dr. Darby is accredited by the American Institute of Ultrasound in Medicine and certified for the First Trimester Down's Syndrome Screen.

Each physician in the Renaissance Women's Group is Board Certified/Eligible by the American Board of Obstetrics and Gynecology.
